BEST SELLERS

Model #48

Standard Symphony Stand

Perfect for orchestras, school bands, and individual musicians that demand high quality and durability. This is our most popular music stand. The **MANHASSET® Symphony Stand** is used by more schools than all other music stands combined. Our ***Symphony Stand*** desk is 20" wide x 12" high. The height of this music stand varies infinitely from 26" to 48" (lip to floor), with a maximum overall height of 60 inches. Now with three sizes of shafts to choose from (***Concertino***, ***Standard***, and ***Tall***), you can get **MANHASSET® Symphony Stands** that will range vertically from 16" to 60" (lip to floor). ***Available in single [4801] and 6 pack [4806] cartons.***

Model #48TA

Tall Symphony Stand

A taller version of the ***Symphony Stand***, with a vertical extension of 38" to 60" (lip to floor), with a maximum overall height of 70 inches. Ideal for standing musicians and groups using risers or elevated platforms. ***Available in single packs only.***

Model #48C

Concertino Symphony Stand

A shorter version of the ***Symphony Stand***, with a vertical extension of 16" to 28" (lip to floor), with a maximum overall height or 40 inches. Ideal for stage bands, guitarists, cellists, chamber ensembles, and seated musicians.
Available in single [48CA] and 6 pack [48C] cartons.

Model #48TB

Trombonist Symphony Stand

This ***Symphony Music Stand*** is specially designed for the trombonist. A connecting plate, on the back of the desk, is designed to be offset to either side of center to eliminate interference with the shaft and the trombone slide. This plate can be located either in the center, the right or to left side for those musicians preferring to play with the bell down - closer to the stand, or with the bell up and to the left of the desk. The fasteners needed to connect the plate in the desired position are included. Great for other musicians too! ***Available in single packs only.***

MANHASSET® STAND FEATURES:

- Longest lasting, most durable music stand made. Rugged, all-aluminum, lightweight desks are ribbed for extra strength. Baked-on, powder coated finish resists scratches and chipping.
- Easy, automatic no-knob friction-tilt neck, delivers constant tension at any tilt position.
- Heavy-duty chrome shaft, and the original "Magic Finger Clutch™" provides one-hand friction grip. Secure at any height, even with a heavy load of music. **MANHASSET® Stands** have the best height-to-weight ratio in the industry.
- Heavy gauge, all-steel welded base provides excellent stability and requires minimum space on stage risers or in storage.
- All the components of the **MANHASSET® Stands** are available and can also be purchased separately. This includes all models of desks, shafts, bases and all pieces of hardware and fasteners.

BEST SELLERS

Model #48 *Colored*

Symphony Stand

In addition to providing the ***Model #48 Symphony Stand*** in our durable, powder coated, textured black finish, **MANHASSET®** also offers this stand in a variety of vibrant colors. You can now get our most popular music stand in Red, Yellow, Blue, Orange, Green and Purple, as well as in Brown, Burgundy, Pink, Hot Pink, Gold, Silver, Sage, Grey and White. Add excitement to your band room or individualize music settings by infusing the brilliance of COLOR. Perfect for individual performers, younger-aged musicians, and those looking for the kind of statement COLORS make. Ask your dealer about custom colors, too.

Available in single and 6 pack cartons.

Model #4701

Clear Desk Symphony Stand

The ***Model 4701 Clear Desk Symphony Stand*** is designed for maximum visibility of the musician and the director or student and teacher. The ***Clear Desk Symphony Stand*** offers a bold new look in music stands. Construction of the desk is polycarbonate sheet plastic which is as clear as glass and is 250 times more resistant to breakage than glass.

Available in single packs only.

Model #1910

Storage Cart

Holds up to 25 ***Symphony Music Stands***. This unit is built to allow easy racking and removal of music stands and provides convenient storage. It is made to strict high-quality standards, and with its strong welded steel construction, durable powder coated finish, and roller bearing wheels, it will provide service for years to come. Comes packaged with all the nuts and bolts necessary to easily assemble in minutes. Its dimensions of 92" long by 43" high by 22" wide - along with its pivot center axle allows it to maneuver easily on all floor surfaces. This cart also comes with high-density polyethylene rail liners to provide even more protection to the music stands it holds.

Model #1920

Short Storage Cart

The ***Short Storage Cart*** is designed to hold up to 13 music stands. Since it has an overall length of 59", it can easily fit in most elevators. It also takes much less storage space. It is made to the same strict standards and of the same high quality as our larger storage cart. With its welded steel construction, durable powder coated finish, high-density polyethylene rail liners and roller bearing wheels, it will provide service for years to come. It comes packaged with all the nuts and bolts necessary to easily assemble in minutes.

Model #51

Fourscore Stand

A one-piece desk that measures 32" wide - enough room to hold 4 pages of music. Ideal for groups, private studios, conductors, and more. The vertical extension is identical to the ***Symphony Stand*** dimensions. ***Available in single [5101] and 4 pack [5104] cartons.***

Model #51C

Concertino Fourscore Stand

A shorter version of the ***Fourscore Stand***, with a vertical extension of 16" to 28" (lip to floor), with a maximum overall height of 40 inches. Ideal for stage bands, guitarists, cellists, chamber ensembles, and seated musicians. ***Available in single [51CA] and 4 pack [51C] cartons.***

Model #5401

Regal Conductor's Stand

Designed with the needs of conductors in mind, this "flagship" of the **MANHASSET® Music Stand** line provides a stately and distinctive station for orchestra and band directors. This double-shafted stand has a wide and extremely stable base. The desk (32" wide by 15" high) is capable of holding larger scores. With its built-in accessory ledge and storage pocket (behind the desk), the "***Regal"*** provides the optimum convenience and functionality for the conductor. The height of this conductor's stand varies infinitely from 28" to 50" (lip to floor), with a maximum overall height of 63 inches.
Available in single packs only.

Model #2000

Acoustic Shield

The 22" high by 26" wide shield is made of clear, durable polycarbonate sheet plastic. It is designed to effectively provide hearing protection to the musician stationed in front of other musicians, yet not causing impaired vision for the musician behind.

The unit's height adjustment range will afford protection for the musician while sitting and, with a height of 66 inches, it can also provide hearing protection to the standing musician. In addition to offering hearing protection for musicians playing in front of loud instrumentalists, shields can be easily positioned around percussion sections to reduce the hearing impact on other musicians.

The shield folds down to a height of 37" allowing it to be comfortably tucked away behind your chair when not needed and the collapsible tripod base makes it easily transported. The **MANHASSET®** ***Acoustic Shield*** also has a 1" ledge, so it easily doubles as a fully-functioning music stand for directors or those desiring a larger music desk, yet not wanting to sacrifice visibility. ***Available in single packs only.***

SPECIALTY STANDS

Model #49

Director's Stand

A must for every director. Unique, double-desk construction provides easily accessible music storage. The vertical extension and desk dimensions are identical to the ***Symphony Stand***.
Available in single [4901] and 3 pack [4903] cartons.

Model #50

Orchestral Stand

Designed especially for concert orchestras. Double 2"x 2" lip provides convenient storage for bows, rosin, pencils, reeds, valve oil, and more. The vertical extension and desk dimensions are identical to the ***Symphony Stand***.
Available in single [5001] and 6 pack [5006] cartons.

Model #50C

Concertino Orchestral Stand

A shorter version of the ***Orchestral Stand***, with a vertical extension of 16" to 28" (lip to floor), with a maximum overall height of 40½ inches. Ideal for stage bands, guitarists, cellists, chamber ensembles, and seated musicians.
Available in single [50CA] and 6 pack [50C] cartons.

Model #53

Table Top Stand

Enjoy the full size **MANHASSET®** music stand desk resting on any flat surface. Ideal for classroom, private studio, bell choir and more! Rubber foot on back support and felt pads located beneath the lip prevent any scratching of table top or other surface.
Available in single [5301] and 10 pack [5310] cartons.

Model #5601

Wall Stand

The ***Wall Stand*** is designed for those applications where there is limited space and not enough room to conveniently use conventional stands. The ***Wall Stand*** is attached to the wall using a wall-mounted base plate. The actual stand easily connects to the base plate, and can be as easily disconnected. The ***Wall Stand*** can be moved to an infinite number of positions (between the extension's horizontal and vertical positions, and the desk angle is also adjustable. This stand is perfect for practice rooms, sound studios, above keyboards or pianos or other locations where space is limited - or where a fixed-location stand is desired.
Available in single packs only.

Model #52

Voyager Music Stand

Designed for the musician demanding portability without sacrificing any **MANHASSET®** quality. This highly portable concert style music stand sports the same built-in features that have made **MANHASSET®** famous since 1935. Perfect for touring musicians or groups, the ***Voyager*** has the same solid, adjustable desk, yet is completely portable. With the ***Voyager's*** twist locking mechanism it only takes a second to assemble or remove the desk and with only two parts to keep track of, the ***Voyager*** can also be stored or transported in its own tote bag (sold separately). The ***Voyager*** desk is identical to the ***Symphony Stand*** desk (20" wide x 12" high). The height of this music stand varies infinitely from 26" to 48" (lip to floor) with a maximum overall height of 60½ inches.

Available in single [5201] and 6 pack [5206] cartons.

Model #52C

Concertino Voyager Music Stand

A shorter version of the ***Voyager Stand***, with a vertical extension of 16" to 28" (lip to floor) with a maximum overall height of 40 inches. Ideal for stage bands, guitarists, cellists, chamber ensembles, and seated musicians on the go. ***Available in single [52CA] and 6 pack [52C] cartons.***

Model #81

Harmony Stand

The ***Harmony Stand*** is designed for functionality and, with its floor stacking base, convenient storage. The ***Harmony Stands'*** "V-shaped" bases conveniently stack in a small amount of floor space. Since their bases stack together so tightly, it takes only six feet to store 25 stands, and 50 stands can be stored in about 10 linear feet of space. The ***Harmony Stand*** comes with an extremely durable ABS plastic desk, but can also be purchased with the traditional **MANHASSET®** aluminum desk (**Model 85**). The stand incorporates the time-proven **MANHASSET®** shaft with its "Magic Finger Clutch™" no-knob height adjustment. The height ranges from 26" to 48" (lip to floor), and has an overall height of about 60" (to the top of the desk). This stand is also available with the shorter ***Concertino*** shaft (**Model 81C & Model 85C**). This stand is perfect for environments demanding a very stable and rugged stand, and locations where storage space is limited. ***Available in single [8101] and 6 pack [8106] cartons.***

Model #1980

Harmony Stand Storage Cart

The ***Harmony Stand Cart***, with its horizontal rail framework, is designed to hold 15 of the horizontally stacking ***Harmony Music Stands***. In addition to their ability to be stored using very little space, with this ***Harmony Stand Cart***, we can now offer ease of portability for this stand. Since this cart has an overall length of less than 5 feet, it can easily fit in most elevators. It is made to the same strict standards and of the same high quality as **MANHASSET®**'s other storage carts. With its welded steel construction and durable powder coated finish, it will provide service for years to come. It comes packaged with all the nuts and bolts necessary to easily assemble in minutes.

#53DH

#53D

Model #53D & #53DH

Drummer Stand

Designed specifically for the drummer and percussionist and features our most popular full-size desk. The ***Drummer Stand's*** dual clamp/dual swivel mounting system and its 16" shaft enable the device to be connected to all varieties of drum set tom mount hardware, hi-hat cymbal stands and percussion equipment racks. This allows the desk to be positioned with unlimited variations exactly where the drummer needs it.

This ***Drummer Stand*** also comes in a wide versoni (**Model #53DW**). This model features our four-score 32" wide desk, allowing the ultimate in multiple page display.

Hi-Hat Drummer Stand

Designed specifically for the drummer and percussionist and allows the desk to be located in an ideal performance location - above the hi-hat cymbals, or other locations - exactly where the drummer would like to have it positioned. It features our most popular full-size desk, a very durable dual-clamp/dual-swivel mounting system and "Double Curved" shaft. You can get your music closer and still allow terrific visibility of the drummer.

Model #2200 & #2250

Percussion Trap Tables

Large 14" x 18" table has carpet padding for quiet handling of percussion instruments. Famous **MANHASSET®** "Magic Finger Clutch™" shaft allows for easy height adjustment. Three edges are raised so that percussion instruments will not roll off of the table. Overall dimensions: 30"L x 24"W x 44"H

Model #2200 has the **MANHASSET®** Symphony base for excellent stability.

Model #2250 has the **MANHASSET®** Voyager base for excellent portability and stability.

Model #3000

Microphone Stand

The features of this ***Microphone Stand*** make it a great choice for musicians and vocalists. It includes a connecting adapter made for the most popular mic holder's thread size. The height adjustment ranges from 38" to 64" - providing the ideal height for virtually all applications. Portability of this ***Microphone Stand*** is unbeatable. Instead of using a heavy base, it utilizes a collapsible tripod base. Weighing less than 2.7 lbs., it can be easily transported and stored. Also, with the same "Magic Finger Clutch™" used in our music stands, the height adjustment can be easily made with just one hand.

#3000

Model #3000C

Concertino Microphone Stand

This shorter version of the ***Microphone Stand*** has all the same features and benefits. The height adjustment ranges from 18" to 30", making it perfect for lower setting needs. This ***Concertino Microphone Stand*** is perfect for seated musicians including acoustic guitarists, cellists and harpists.

#3000C

Model #3016

Chorale™ Microphone Stand

The features of the ***Chorale™ Microphone Stand*** make it the perfect choice for musicians and vocalists. It includes a connecting adapter made for the most popular mic holder's thread size. The height adjustment ranges from 38" to 64" - providing the ideal height for virtually all applications. The stability of the base is unsurpassed in the industry. Also, with the same "Magic Finger Clutch™" used in our music stands, the height adjustment can be easily made with just one hand. In addition, by using the same look as our music stands, it conveniently blends and fits with **MANHASSET® Music Stand.**

Model #2700

Music Stand Base Weight

The **MANHASSET® Music Stand Base Weight** is designed to provide extra stability for Manhasset* Music Stands for extremely large scores of music or for use outdoors in windy conditons. The 2.5 pound Music Stand Base Weights are made of cast iron and are easily attached to the Manhasset* Symphony base for dependable performance.

Available in 5 pack cartons.

Model #3200-U & #3200-UM

Universal Tablet Holder

The **MANHASSET® *Universal Tablet Holder*** is adjustable so it will fit all sizes of tablets up to 12.9".

The model ***3200-U*** combined with your tablet and professional software transforms a **MANHASSET® Music Stand** shaft/base unit (sold separately) into a digital music stand - bringing music and technology together. The ***3200-UM*** will attach to most microphone stands 5/8" with threads.

The ***Tablet Holder's*** "V" shaped lower support holds the tablet firmly and securely, and the upper hook and twist-lock easily secures it in either orientation - portrait or landscape. The orientation can be changed quickly if desired.

The tilt mechanism permits one-handed adjustment of the tablet's viewing angle. When used with the **MANHASSET®** shaft/base combination, the tablet can be positioned anywhere from 32" to 55" high (center of ***Tablet Holder***).

The **MANHASSET® *Universal Tablet Holder*** is made in the USA and made of high quality injection-molded ABS and Glass-filled Nylon.

Model #3200-UE & #3300

Universal Tablet Holder

The **MANHASSET® *3200-UE Universal Tablet Holder with 8" extension arm*** is adjustable so it will fit all sizes of tablets.

The **MANHASSET® *3300 Universal Tablet Holder with base and shaft*** is made for long-lasting performance in the USA and produced of high quality injection-molded ABS and Glass-filled Nylon. Combined with our ***Voyager*** shaft and base.

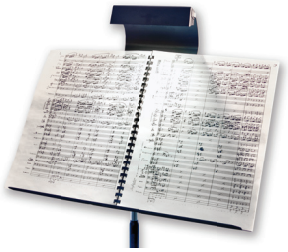
Model #91

Stand Out Stand Extender

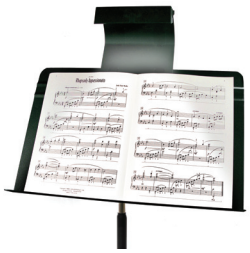
- Sold in singles or pairs.
- Put them on your **MANHASSET®** stand for those large scores.
- Works great with our **MANHASSET®** Symphony Music Stands!



Model #1000

Music Lamp

The ultimate in attractive design and simplicity. Features include glare-free, full-width, audience-shielded illumination. It has ample clearance of even the taller scores of music, and dual clips for assured attachment, yet easily installed and removed. Complete with 40-watt bulb, 8-foot cord, and switch. Durable black finish. Rigorously inspected and tested, this lamp is ETL and CSA approved, and is designed for years of trouble-free service.



Model #1050

Music Stand LED Lamp

The LED **MANHASSET®** ***Music Stand Lamp*** is unparalleled with respect to the features it offers. The case is made of durable black ABS plastic, and it has ample clearance for even the taller scores of music. This multi-LED Lamp provides glare-free, full-width, audience-shielded illumination, and offers the ultimate in attractive design and simplicity. The lamp head can be pivoted to vary the position of the LED light bar for optimum light coverage. It is rechargeable battery operated and delivers a uniform level of light for approximately 6 hours on a charge (charger included). For periods of use over 6 hours, the LED Lamp can be powered with the charging cord without harming the rechargeable battery pack. For those in other countries, ask your store/dealer about this LED Lamp with chargers designed for your voltage and plug configuration.

Model #1600

Choral Folder

New and improved 9" x 12" choral folder with seven elastic cords secured to the 1" spine. Holds sheet music pages and makes them readily available. Also features two generously-sized pockets to hold additional music. A durable plastic band mounted on the back side of the folder makes it easy and comfortable to hold the choral folder with one hand - freeing the other to turn pages.

Model #1650

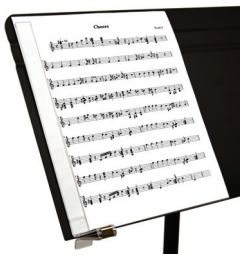
Fourscore Folder

A music folder which extends the desk width of any music stand to a full 32 inches – wide enough to hold 4 pages of music. Folds into standard width when not in use as an extender. Elastic security band holds folder snugly to music stand. Works equally well on piano, organ or synthesizer. Made of durable, heat-sealed class 100 vinyl with 80 pt. chipboard core.

Model #1100

Accessory Shelf

Provides storage at your fingertips! Durable ABS plastic shelf slides onto the ledge of your stand, instantly converting it to a double lipped orchestral stand. Shelf is 2" x 2" x 16" long and provides convenient storage for your music paraphernalia.



Model #1200

MusiClip

A transparent, highly durable plastic clip that makes playing in the wind a breeze. MusiClips clamp over the entire length of your music for a firm, secure grip. They eliminate unsightly and awkward clothespins or fasteners, making page turning much easier. MusiClips accommodate large collections of music and fit all music stands.

Model #1300

Violin/Viola Holder

An adjustable holder for violins, violas and bows. Clips on the lip of all folding and concert music stands. Holds violins, violas and bows securely. Stores conveniently in the case.

Model #1320 & 1340

Mute/Cup Holders

Clips on the lip of all folding and concert music stands. Places mutes or cups in convenient, readily accessible place. Allows for quick mute changes during performances.

ACCESSORIES

Model #1670 & 1680

Dual Wrench

This is a great tool for those who have older (pre-1995) stands and newer stands. It has both size sockets used to install/ tighten the bolt that attaches the base to the shaft (a 9/16" one for the older and a 17mm socket for the modern stands. This wrench is a valuable tool for conveniently taking care of installation and maintenance. The handle is sized to provide the right leverage. **Also available: Model #1680-Lightweight (metric only)**

Model #1800

Voyager Tote Bag

An excellent compliment to the portability of the ***Voyager Music Stand***, this durable nylon tote bag is designed to efficiently transport your ***Voyager Stand***. It features a comfortable shoulder strap and provides ample room for books or sheet music, or personal effects.

Model #1820

Shaft Cap

The Shaft Cap fits on the end of your stand's shaft to avoid damaging your tote bag when you remove or insert the shaft into the tote bag.

Model #2400

Shaft-Lock

Our standard shaft easily holds 8 lbs. However, for applications requiring greater weight capacity, the Shaft-Lock fits the bill. Easily retrofitted onto all **MANHASSET®** ***Music Stand*** shafts, instantly allowing your stand support up to 75 lbs. With its fingertip twist mechanism, you can quickly adjust and lock the height at any position. When in the unlocked position, the music stand functions in the normal fashion.

Model #70

Conversion Kit

This conversion kit replaces the mechanism on music stands made before 1970 used to connect the stand base and shaft. This updated connection includes an adapter that holds the shaft in a more secure fashion than the original device. **Also available: Model #70M-Metric Kit**

Model #74

Neck Assembly

A high quality glass-filled nylon. It only takes a screwdriver to connect the desk to the shaft. Includes washers, bolt, and nut.

Model #1700

Floor Protectors

The **MANHASSET®** ***Floor Protectors*** protect against those expensive to repair scratches, marks and gouges in wood or tile floors. Each vinyl protector slips easily onto the base "toes" and stay firmly in place to prevent scratching of floor surfaces. Excellent for use in gymnasiums, stages, churches or anywhere floors need to be protected from stand use. Works on all standard **MANHASSET®** ***Symphony*** bases.

Model #2800

Accessory Box

This ***Accessory Box*** finally allows musicians to have the storage they have needed. The box dimensions are 10" long by 6" wide and it has a box depth of 2-1/2 inches - so it can hold all the supplies and accessories (pencils, valve oil, mouth pieces, rosin, cleaning supplies, reeds, etc.) you need - and at a "no-reach required" convenient location, right below the music stand desk. Also has a built-in holder for your water bottle. The hanger is designed to fit on any **MANHASSET®** ***Music Stand*** and provides a securely fitting container unequalled in accessibility and convenience. Quick and easy installation and removal.

Model #2600

Table-Lock

When you need to hold a desk in a stable horizontal position, the ***Table-Lock*** is the answer. The **MANHASSET®** ***Table-Lock*** is ideal for converting **MANHASSET®** ***Music Stands*** for use with synthetic drum pads, keyboards, or other applications requiring a flat platform. This accessory can quickly be fitted on all standard necked **MANHASSET®** ***Music Stands*** (not ***Voyager Portable Stands***). With only two screws, your stand is converted to a table platform that is locked in the horizontal position.

Model #4803

Symphony Stand with Mic Stand Attachment

The model ***#4803 Desk for Microphone Stand Desk*** can be attached onto the **MANHASSET®** ***Microphone Stand*** (sold separately) or to any 5/8" microphone stand (with 27 female mic threads). Gives amazing versatility to bands, orchestras or choirs for use by allowing any microphone stand to be converted to a music stand.
